

SADAQATUL JAARIYAH

Invitation

The Raatibul Haddaad tradition has been an integral part of Cape Muslims for a very long time. In this time of Covid-19, Muslims have felt the pain of close relatives passing away and the need for closure. The beautiful words and melodious rhythm of the Haddaad, draw out the hurt and through Allah's Mercy, smooths the way to a state of acceptance and peace.

The Boorhaanol Islam Movement is in the process of publishing a booklet accompanied by an audio version of the Haddaad so that the benefits of this tradition can be shared and imbibed by all. To help cover the costs of the project, an invitation is extended to individuals, families and businesses to contribute generously as a Sadaqatul Jaariyah. Every time someone reads, listens or learns from the booklet and audio, the Almighty promises the donor a reward that continues even if the person has passed on.
