**As Salam Mu Alaykum**

### *Algamdulillaah - Bigger and Better*

We are entering our 4<sup>th</sup> week of school and all our little ones are settled and ready for the full experience of being part of the Boorhaanol Family! Algamdulillaah.

This Newsletter is one of four which will be published for the year. The aim is to in advance inform parents what can be expected. The first Newsletter covers many technical details, rules and regulations and a list of parent expectations. We kindly request that you make notes so as to ensure the smooth running of the school, throughout the year, in sha Allah.

### **Our theme for the year is "Bigger and Better with the Qudrah of Allah"**

You rightfully may ask why "Bigger and Better"? We not referring to bigger numbers of learners in the classrooms, but bigger mindful activities that will enhance their early childhood experience. To start off we already offering two new extra mural activities and we are embarking on a structural project called "**Project Playground Ready**", plus additional staff to care for your little ones. All our fundraisers this year is aimed at getting our in house playground ready within the next 6 months, In Sha Allah.

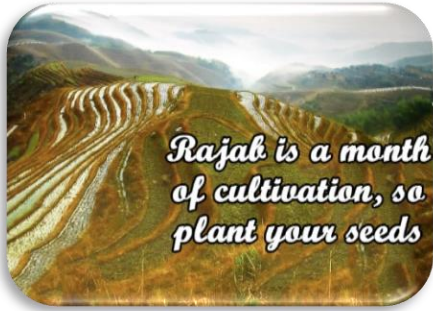

Children are born as free spirits and as parents and caregivers it is our duty to ensure they fly and that we do not cage them in. In order to do that we need to look after our own physical mental and spiritual health, in sha Allah

### In this Issue:

- Principal's Note
- Parent Info
- Extra murals 2024
- Excursions and Fundraisers
- Birthday Calendar

As of March month we will have a number of parenting articles ready on our website blog... so yes... all in alignment with bigger and better

We make dua that we all ease into the year and take full benefit of the sacred months of, Rajab Sha'ban and Beloved Ramadan, Ameen.

Feel free to contact us at any time with your queries, comments or concerns.

*Shukran Kathier*
