As Salam Mu Alaykum

Wa Rahmatullaahi Wa Barakatu

Dearest Parents,

Welcome to a brand new school year with **Boorhaanol!**

To all families new to Boorhaanol, as well as our returning learners, we commit to a year filled with fun-loving and meaningful learning experiences. We always intend—and strive—to create the **Ideal Environment for Learning**,

Alhamdulillah. This includes, among others:

- **Warm, caring adults** who ensure a secure and nurturing space for learning.
- **Learning through play**—because in early childhood, learning *is* play, not a break from it 😊
- **Natural life experiences** that help little ones connect to nature, fostering appreciation and love for Allah. These include practical activities such as baking, cooking, experiments, outdoor play, and excursions.
- **Emotional safety**, which ensures an environment where children are loved,

accepted, heard, and seen, and feel free to make mistakes. Emotional safety also opens their minds to curiosity and a love for learning.

This is our introductory newsletter and contains all the necessary information to ensure you know what to expect, as well as who to contact should you have any queries or concerns.

Preschool years are not only preparatory years for young learners; they are also a time for parents to organise themselves as they adjust to having a new or additional child at school. Research shows that parents who are actively involved in their children's lives and who set clear, consistent boundaries positively support their children's holistic development in all spheres of life. Planning your time as a parent is essential, as it reduces stress and creates balance. We encourage parents to practise good time management, *Ameen, in sha Allah*.

The blessed month of **Ramadan**—the month of the Qur'an, mercy, and forgiveness—is almost upon us. We make du'ā' that Allah grants us the opportunity to reach this beautiful month, *Ameen*.

Please feel free to contact us at any time should you have any queries or concerns. We are looking forward to a year of growth, love and joy!

Shukran Kathier,

**Principal
Nuha**

At Boorhaanol, we believe that **strong partnerships between home and school** are essential in nurturing confident, happy learners. We kindly invite parents of our **Level 2 and Level 4 classes** to private message me should they wish to serve as the **Class Parent Representative** for their child's class.

Parent representatives will be required to attend **monthly or bi-monthly parent meetings**, where they will be encouraged to offer thoughtful and constructive input in the best interests of our learners and the wider school community, **In Sha Allah**.

The role of the Parent Representative includes:

- Supporting positive and respectful communication by liaising with parents within the same class regarding fundraising initiatives, excursions, and school events.
- Working collaboratively with the class teacher, where appropriate, to support class-related needs while upholding the school's values.
- Maintaining strict confidentiality on all matters discussed at meetings and adhering to **all school policies and procedures** with integrity and sincerity.

We deeply value parent involvement and appreciate families who partner with us to create a nurturing, respectful, and values-based learning environment for our children, Ameen, In sha Allah.

Communication Tools

WhatsApp will remain the school's primary means of communication for the 2026 school year.

Parents are welcome to communicate with teachers or the principal via the general school email addresses:
boorhaanolnps@gmail.com or **boorhaanolpreschooll@gmail.com**

The school office may be contacted on **021 423 7690**. Teachers and the principal may also be contacted directly on their respective cell phones when necessary.

The school website, www.boorhaanol.org.za/nursery, will serve as a central repository for all notices, resources, and documents shared via WhatsApp. Should parents be unable to locate a document on their mobile devices, it may be downloaded from the website. *In sha Allah.*

Parents may contact the Chairman of the School Board, **Mr Akbar Allie**, via email at akbar@akbarallie.com.

Parents who pay mid-month are required to ensure payment is made by the **16th of each month**. We kindly request parents' cooperation in ensuring that fees are paid timeously.
